MILITANTS IN LONDON ALARM AUTHORITIES

MRS. PANKHURST BEGINS A "NO SLEEP" STRIKE IN JAIL.

LONDON, Dec. 15.—Sylvia Pankhurst, since her arrest on the 10th, has attempted a "no sleep" strike in addition to the "hunger and thirst" strike. She accomplishes it by walking continually. Her condition now is serious and the police plan to keep Sylvia and her mother jailed until after the meeting of the Women's Social and Political Union today.

Arson militants burned an empty mansion in Bristol and smashed every window in the Richmond police station.

WOMEN'S RELIEF CORPS GIVES FREE ENTERTAINMENT

The Women's Relief Corps will hold a Christmas free sale and dance this evening at Odd Fellows' hall, when the ladies will dispose of a large assortment of dolls and other articles suitable for gifts. Tea will be served for a small sum and the patrons will have the privilege of taking home the cups and saucers.

PERSONAL

Comings and Goings of Local People and Others.

J. H. EVANS, the attorney, who has been representing his clients at the Zelevan hearing at Reno, returned this morning from Reno.

W. L. VEITH of Manhattan, accompanied by his wife and child, came in from that camp this morning and the family left on the train for their old home in Virginia, where they propose remaining until Mr. Veith establishes himself in the produce business near Petaluma, as he has disposed of his interests in the northern camp.

SCHOOL INFLUENCE IN THIS COUNTRY

FRANCE IMPRESSED BY EDUCATIONAL METHODS IN THE UNITED STATES.

PARIS, Dec. 13.—Emile Boutroux, the French academician, was particularly impressed during his recent trip in the United States by the tremendous faith in the power of education which he everywhere encountered. In this connection he says: "Nowhere else in the world is more faith placed in the power of instruction and moral education, to increase the capacity, the wisdom and the moral qualities of man." "I was greatly touched," he continues, "by the attention paid me by American students and by their confident amiability, and it was not difficult for me to believe their masters when I was told of the spirit of duty and morality which prevailed among them. The prayers with which the universities are opened each morning are not merely a vain formality. Religion in America is above all a question of mental seriousness."

AMUSEMENTS

BUTLER THEATER.

At the Butler theater this evening a splendid program of pictures will be shown, including "The Bullet's Mark," "The Missionary and the Actress," "The Mate of the Schooner Sadie," and "When Friendship Ceases."—Adv.

SALE OF A PLACER.

A deal for placer property has just been consummated by M. E. Lewis, J. M. Taber and C. A. Harrington for a larger interest in the Joe Miller placer ground in Iron canyon. The placer deposit in this property is only of recent discovery, but the yield at only six feet deep is more than sufficient to induce the investment of capital. It is useless to go into details, as this is one of many such deals, with many more to come, for they are just beginning. Work will be at once started.—Battle Mountain Scout.

FUEL TRIAL BEGINS.

(By Associated Press) SAN FRANCISCO, Dec. 15.—The prosecution opened the trial of the Western Fuel company officials, accused of defrauding the government.

AN AMENDED ORDER.

This morning Judge Averill amended his order relating to the Kolach child so as to permit the mother to see her once a week under certain restrictions.

WARREN BROTHERS COMING FOR BIG TURKEY SHOOT

The Warren boys from Wabaska will arrive here next Saturday with 250 birds they have fattened for the Christmas tables of Tonopah. The shooting will begin at 11 a. m. of that day if the train is on time. The same conditions as Thanksgiving will obtain, except that each shooter will be limited to three birds a day. The shooting will continue until all the birds are disposed of.
